

Getting Started with Circuit Caddie for Caddies

- 1 Provide** your caddie master with your email address or mobile phone number so they can include you in the list of approved caddies at their club.
- 2 Receive** an email or text from Circuit and create your Circuit account with the same information provided to your caddie master.
- 3 Create** a Stripe account or link an existing a Stripe account to the Circuit Caddie account. For this you'll need your bank account information and your social security number.

→ *That's it!* You'll appear as an approved caddie for your club ready to accept payments in the Circuit Caddie application. **Golfers will pay you after the round is finished** and you'll receive confirmation of payment immediately. Funds will be transferred to your account within a few days.
